Tom, I would like to speak with you regarding the upcoming public meeting on April 24 in Rockford, Michigan. In particular, I am wondering about agenda for the meeting. Is EPA planning on Wolverine making a presentation? Is there an "open microphone" time slot in which Wolverine would make comments/ask questions? Can we discuss the general overall content of the EPA presentation before April 24?

Please let me know when we can talk.

Thanks, Mike

Thanks Mike. What you recited is acceptable to us, except to the extent the most recent information about drum storage areas under question 7 is readily available; if so, we request that it be provided within the 21-day period.
